EXPERIENCED AND INDEPENDENT

Sales Representative Position

Responsibilities include:

- Outside Sales Representatives identify and develop sales opportunities using established database and other NDT - related resources. Schedule routine customer calls and develop strong relationships with R-CON NDT customer accounts.
- Develop your knowledge of customers' nondestructive testing needs and serve them by professionally representing our extensive line of nondestructive inspection products.
- Demonstrate NDT Technical skills to identify and demonstrate products as-needed.
- Work with sales management to set achievable goals - have the ability to develop sales objectives and strategies to grow your business.

Required Qualifications

- 1 – 3 years of NDT experience, Associates degree in NDT a plus.
- Sales and/or industry experience with a proven track record of success.
- Professional and friendly demeanor.
- Strong oral and written communication skills
- Must be a self-starter and motivated, have a natural curiosity and be results oriented.
- Lift over 50 lbs., travel via car, air (close proximity to major airport), and the physical ability to comfortably walk and tour industrial facilities.

R-CON NDT provides a competitive base salary and bonus plan along with an excellent benefits package including a 401(K), profit sharing, vehicle mileage allowance, medical and dental plans. Travel expenses covered through use of company credit card.
